“ upc cablecom provided us with a readymade, future-proof all-in-one solution for telephony, Internet and the corporate network, and rounded it off with unbeatable terms. We are dependent on maximum reliability when it comes to telephony. We recommend upc cablecom in every respect. ”

Yves Laukemann, IT Manager, Claraspital

The Claraspital (St. Clare's Hospital) in Basel was founded in 1928. It is still run under the aegis of Ingenbohl Monastery in Brunnen. The Claraspital is an acute hospital with a consultant system and offers over 229 beds.

In 2009 8,700 in-patients and over 19,300 out-patients were cared for and treated by a staff of around 900. As the most important acute hospital on the right bank of the Rhine, the Claraspital is a typical city hospi-

tal with general outpatient medical care and outpatient clinics. upc cablecom business provides the hospital with Internet, voice and corporate network services.

Your ambition. Our commitment.
