

“ As a professional outsourcer, our success is based on good customer service, practically oriented solutions expertise and modern, geographically distributed data centres. High-availability storage solutions enable our customers to implement their ICS-ready emergency concepts. upc cablecom’s high performance network and innovative data services have been strong links in our value creation chain for many years. ”

Bruno Morandi, CEO, in4U AG

“Far-sighted solutions” - true to this motto, the outsourcing specialist in4U AG (www.in4u.ch) presents its extensive range of services for companies wishing to outsource their information technology. Customers include both typical SMEs and large companies with several thousand employ-

ees. Depending on project requirements, the 50-strong team draws on the support of powerful partners like upc cablecom, for instance.

upc cablecom business supplies in4U and its customers with the necessary resources for flawless data communication, from simple

DSL links to customised GigaClass connections from 1 Gbit/s upwards. We congratulate our long-standing partner from Lyss, Bern on its tenth company anniversary and wish this top team all the best in the future!

Your ambition. Our commitment.
