

“ What we particularly appreciate about our partnership with upc cablecom is the high level of flexibility, the friendly service and the fast implementation of our requirements. ”

Thomas Künzli, Head of Individual Computing & Security, Carl Spaeter AG

The Spaeter Group is one of Switzerland's two most important steel trading groups. It consists of six trade, three production and two real estate companies, which employ around 900 members of staff altogether. The company's core competency is steel/metal,

construction and building services trade. Carl Spaeter AG, the parent company, can look back on one hundred years in the steel import business. Under his management, the Spaeter Group Switzerland has emerged through the incorporation of commercial

enterprises and production facilities over the course of the past twenty years. upc cablecom provides the group companies with optical fibre-based corporate network and Internet services.

Your ambition. Our commitment.
